Opening Date:	Unveiled as a bungalow hotel in 1933, Viceroy Palm Springs has remained open through its re-design beginning in 2001. The property's restaurant and full-service spa were completed in 2003, while the Presidio event and meeting center was completed in spring 2005.
Site:	Viceroy Palm Springs features distinctive interior design work and styling by Kelly Wearstler. The resort's modern Hollywood Regency design recaptures the look and glamour of Hollywood's Golden Age, when celebrities flocked to Palm Springs for weekend getaways.

The property is spread over four acres with an intimate layout of landscaped courtyards, while surrounding mountains provide a dramatic backdrop to the resort's setting. Three outdoor heated swimming pools invite guests to swim day or night. Designed for seclusion and staged sensibility, rooms are set around three distinct courtyards, convenient to all hotel amenities as well as swimming pools, citrus trees and manicured gardens.

Guest Rooms:

Viceroy Palm Springs has 67 guest rooms, including studios, suites and private villas. All rooms feature modern styling amidst a black, white and lemon yellow palette selected to echo the sunny climate of Palm Springs and shade from its warmth.

Accommodations feature theatrical elements such as outdoor Coachman's lamps, extensive use of formal drapery, hoofed tables that graze bedside, bold black-and-white wallpaper and upholstery, and commissioned, custom-designed modern artwork and furniture.
